* Approximate measurements for comparison only.		

Model	door maximum width	door maximum height
All	60" (152.4 cm)*	NA*
* Varies with alternative walls.		

Installation Notes

Install this product according to the installation guide.

Size the drain cutout to fit the drain assembly that will be used.

Stud positioning is critical.

Studs should be positioned roughly as shown for support clip or roofing nail installation.

When using the optional apron, use either the flange on the apron or the three backing blocks to secure the apron.
